

PATIENT SURVEY

Prairie EMS is committed to the communities and people we serve. We strive to provide the highest quality of service to each and every patient in our care. To maintain a high quality of service and to better meet the ongoing needs of our patients, we would like to ask for feedback regarding your recent interactions with our service. If you have recently interacted with our ambulance service, either as a patient or as one associated with a patient, please take the time to complete and return this survey. Your feedback is valuable and will provide constructive criticism to help improve our patient interactions.

Were you a patient on the ambulance? If no, please explain your connection.
